HOW IT WORKS

Helping you find your perfect place...

- 1** View the listing for Oxlease Place, check if you meet the local connection criteria, then apply online:
<https://yourvividhome.co.uk/properties/oxlease-place>
- 2** Once we've received your application, we'll check you're eligible to apply for Shared Ownership. One of our Sales Officers will get in touch to let you know if you meet the priority criteria for the development, this can take a few weeks when we're busy.
- 3** If we're able to progress your application, we'll signpost you to one of our panel financial advisors* to talk about your affordability and the share you could purchase (even if you're a potential cash buyer). If you choose to use them or your own financial advisor, they'll send us your completed financial assessment and some more documents like proof of your deposit and mortgage AIP (Agreement in Principle). Please note, VIVID are not a credit broker.
- 4** We'll also ask you to email us which plots you're interested in.
- 5** We'll review all the documents and check the development criteria to see if we're able to offer you a home. We'll tell you as soon as we can, sometimes this may take a few weeks whilst we complete this process

*There are many financial advisors you could use to understand and apply for a Shared Ownership mortgage on your behalf. Every financial advisor has a duty to find you the mortgage that's best for you. They'll keep in mind VIVID's timescales for any mortgage that is offered to you, as it needs to meet our sales timeframe. We're signposting you to our panel Financial Advisors as they are experts in Shared Ownership and know the VIVID process too. They'll complete your affordability checks free of charge. If you're offered a home and apply for a mortgage with them there will be a £250 fee, please check with your panel financial advisor when this will be payable. If you choose to use another Financial Advisor that's absolutely fine, and your choice won't impact any VIVID decision on whether you buy a home from us.

Please note; VIVID is not a credit broker.

WHO WE ARE

We're a customer-focused provider of affordable homes and the 4th largest builder amongst UK housing associations. We have an ambitious development programme, together with providing vital support services to our communities.

BUYING MORE SHARES

Shared Ownership enables you to buy more shares in your home over time, from an additional 10% to outright purchase (in most cases). We call this staircasing.

AFTER YOU MOVE IN

You can have confidence buying a VIVID home as our team are here to help you if you have any unforeseen issues or defects in your new home.

VIVID

SO HOW CAN YOU ENJOY
ALL THIS FOR JUST £106,250?*

ONLY WITH VIVID SHARED OWNERSHIP

Shared ownership lets you buy a share of your new home. You can start at just 25% with a 5% deposit. You pay rent on the rest. If you buy a 25% share on one of these houses, you can expect the rent to be around £730.47 per month*. In the future, as your financial situation changes, you can buy greater shares if you want to. This is called staircasing. As your share goes up, your rent comes down. If you'd like to get a better understanding of how much buying a brand new home at Oxlease Place would cost you.

Visit www.yourvividhome.co.uk to see all of our homes on offer with Shared Ownership!

*Prices are based on buying a 25% share in a 2 bedroom house with a FMV of £425,000 shares start from £106,250 with a monthly rent of example of £730.47 (Based on unsold equity at 2.75% of value). Terms and conditions apply.

Please note the following:

Eligibility conditions apply.

Initial rent is calculated at 2.75%

MOD applicants will have priority followed by first come, first served

We may be required to discuss your application with the Local Authority.

The service charge figure in the first year is based on assumptions and VIVID's experience of managing similar homes. This figure will be reviewed annually and may vary from the original estimate. End of year accounts are published in September, showing the actual expenditure and adjustments made for any shortfall or surplus and if we get the information earlier, we'll review and update you during the conveyancing process too.

The 25% example above shows the **minimum** share available. Applicants will be means tested to confirm the share they purchase and are required to purchase the maximum affordable % .

Successful applicants will have a maximum of 28 days ** to exchange contracts following VIVID's solicitor issuing the contract pack. You must then complete on the purchase within a maximum 5 days of either exchange of contracts or following handover from the developer.

*Prices & projected handover dates are for guidance only and are subject to change. Our newbuild Shared Ownership homes are valued by a RICS (Royal Institute Chartered Surveyor) surveyor which confirms the full market value for 3 months.

Every 3 months we will have the homes revalued, to make sure they're in line with the current market. This means the price is non-negotiable. It also means the value of the homes could go up or down, so are subject to change.

** or if all legal paperwork and the mortgage offer is in you must complete the sale.

^Please note that this plot comes with bat boxes and a surveyor will need to carry out two emergence surveys between June and July 2025 and then again in 2027. This has already been paid for by the developer however the surveyor will contact you directly to arrange the survey.
